

Message Discussion Guide CHRIST OUR PROPHET

1 Kings 17 – 2 Kings 2

This guide is to help you facilitate discussion with your Small Group. Use it as a resource to lead your group in discovering and owning the truths of God's Word. There may be questions you do not want to use and there may be instances where you just want to focus on a particular point or truth. Some questions may bring out emotions and cause people to dwell on their relationship with God. Your role is to facilitate this experience not to complete the discussion guide. Use this as a flexible teaching tool not a rigid teaching task list.

Connect . . .

Use one or both of the following options to introduce the discussion time to follow.

Option 1

Invite learners to share what comes to mind when they hear the words "prophet" and "prophecy" or the spiritual gift of prophecy. Explain that today we will discuss what exactly prophecy is and the role that a prophet played in the redemptive history of the people of God.

Option 2

Ask learners to consider what the most important things in their lives are. Allow a few minutes for learners to share their answers. Explain that today we will discover what the lives of the prophets revealed about what should be most important to us as Christ-followers.

Review the Message . . .

The Picture of Prophecy...

Divine _____ communication _____ through human _____ mediation _____.

The Pattern of Prophecy...

Discussion

- Remind learners that this week begins part 4 of our walk chronologically through the story of redemption found in God's Word. We are now moving from a period we called "Failed Kings in a United Kingdom" to one we're calling "Faithful Prophets in a Divided Kingdom."
- Considering 1 Kings 11:29-39, why was Israel divided into two kingdoms? How was it divided?
- Read Exodus 20:18-21. Through what means did the people relate to God during the Old Testament period?
- How does the picture of the Israelites' communication with God in Exodus 20 differ from that of Adam and Eve in Genesis 1-2?
